

Transfer of education duties

(§1 paragraph No.4 - german law for protection of children and young persons)

Herewith we state, _____
(first- and surname: mother) (first- and surname: father)

(address) (phone-Number)

that our underaged
son / daughter _____
(firstname, surname, date of birth)

is being supervised
at the event: _____
(name and place of the event)

at _____ till _____ o`clock
(date) till the end of the event

by Mr./Mrs. _____
(firstname, surname, date of birth of the legal guardian)

(adress) (phone-number)

We (the parents) know and trust the supervising person. A relationship of authority is existing between that person and our child. The person has enough of experience and competence to impose borders and rules toward our child (espacially for the consuming of alcohol). We also have agreed point in time and the kind of return of our child. We know, that our underaged son / daughter and also the supervising person have to be in position to identify themselves in case of a control (by the police for example).

Caution: The supervision can only be transfered for each single night. A transfer to gastronomics or to the organizer is not permitted! The legal guardian must be able to grant the conscientious supervision of the underaged (consum of alcohol for example) and also has to be present during the whole time the underaged is staying at the event. The of age boy-/girlfriend of the underaged can not be allowed to get the supervision as a legal guardian!

With the following signature the legal guardian acknowledges the transfer of all tasks of education and all rights and duties which are coming with it.

(signature of the supervisor as legal guardian)

With the following signature the parents acknowledge that they have ridded the informations on this formular and that all tasks of education and all rights and duties which are coming with it are transfered to the person named above (supervisor).
